CAPE TOWN, South Africa (AP)—South Africa announced today a 30-year project for harness ing the Orange River to change a semidesert into an agricultural and industrial paradisc.

Reporting the plan to Parliament, the water affairs minister, P. M. Le Roux, said the project will be larger than the U.S. Hoover Dam and the giant Kariba Dam in the neighboring Central African Federation, 'so far costs are concerned.

He said the plans will change the face of the country.

Le Roux said the project in cludes construction of 12 dams with hydroelectric installations and would cost \$630 million.

It will be financed entirely by South Africa but with some temporary financial assistance from

and a

Was this pew provided for you? The empty seat means someone is missing food and fellowship. Is it someone whom you might have invited to church? Without food and fellowship we become skeletons and hermits. An empty pew means a starving soul. Jesus doesn't like empty pews. He knows the tragedy of starving souls. The Bible says for us to attend church. Hebrews 10:25. This seat is reserved for you. Blessed are they who hunger after righteousness, for they shall be filled. Matt. 5:6.
